The Honorable Ronnie Abrams  
United States District Judge  
Southern District of New York  
40 Foley Square  
New York, New York 10007

Application granted. The conference is adjourned to January 5, 2021 at 3:00 p.m. Time is excluded until January 5, 2021, under the Speedy Trial Act, pursuant to 18 U.S.C. Section 3161(h)(7)(A).

**Re: United States v. Feng Qin, 18 Cr. 854 (RA)**

SO ORDERED.

Ronnie Abrams, U.S.D.J.  
October 26, 2020

Dear Judge Abrams:

The Government writes, with the consent of the defendant, to request that the pre-trial conference scheduled for October 30, 2020 be adjourned for approximately 60 days. As reported in the parties' prior letters to the Court, the parties have been engaged in discussions of a pretrial resolution of the case. Those discussions remain productive, and the parties continue to anticipate a global resolution of this action and a related civil *qui tam* action, *United States ex rel. Mark Favors v. Qin Medical P.C.*, No. 16 Civ. 4647 (LTS), subject to certain financial analyses that are underway. If the Court grants the adjournment, the Government requests that Speedy Trial time be excluded until the next conference date to enable the parties to continue, and hopefully conclude, their discussions of a pre-trial resolution to the case.

Respectfully submitted,

AUDREY STRAUSS  
Acting United States Attorney for the  
Southern District of New York
